WHAT WE DO

For nearly 50 years, ArtsFund has strengthened the Puget Sound community by partnering with individuals and businesses to support the arts. Join us in making a difference.

GRANT

Your single donation is leveraged through ArtsFund's trusted allocations process, which awards annual grants to a broad range of regional cultural organizations. In 2016, 53 grantees received \$2.4 Million in operating support. Since 1969, ArtsFund has awarded over **\$76.5 million in grants** to over 100 organizations.

LEAD

Our grants and programs make cultural nonprofits stronger, more stable and strategic. We also train the next generation of nonprofit leaders and arts advocates through our **Board Leadership Training, Convenings,** and **Associates Volunteer Program.**

RESEARCH

Our **Economic Impact Studies** document the cultural sector as a regional economic and community driver. For recent results, visit www.artsfund.org/EIS. We also administer the **Cultural Resource Collective**, a shared audience-building database.

ADVOCATE

We provide leadership and partner in promoting legislative initiatives such as **Cultural Access Washington** and **Building for the Arts**, furthering public investment in arts and culture.

ENGAGE

We partner with civic, business and public entities to **build healthy communities**, advance dialogue on the impact of the arts, and connect cultural partners with donors and patrons throughout the Central Puget Sound.
