power2give.org/PugetSound 6 Month Milestones

Presented By

On April 1st, ArtsFund announced that contributions from 1000 donors have brought \$261,451 in new funds to the region's arts and cultural sector since the October 1st, 2013 launch of power2give.org/PugetSound.

In 6 months, the site has received more than 10,000 unique visits. The most frequent gifts have been \$50 and \$100. All donations made have been matched 100%, thanks to the Raynier Institute & Foundation (founding matching sponsor and inaugural lead partner of power2give.org/PugetSound), as well as matches made by Amazon, the R.D. Merrill Company, Vijay and Sita Vashee, and by anonymous donors. Start-up and administrative sponsorship is provided by The Boeing Company.

The donations raised fund a broad range of organizations and cultural activities from King, Pierce and Snohomish Counties. Common project themes have included: production costs and equipment upgrades; youth-based programs and outreach; free or reduced access; community programs and outreach; arts education, supplies and transportation; original programming; and artist support and commissions. Check out power2give.org/PugetSound for more information. You, too, have the power to give.

Mission

ArtsFund strengthens the community by supporting the arts through leadership, advocacy and grant making.

Vision

CAMPAIGN 2014

Campaign Update

Have you made your donation to ArtsFund's 2014 Campaign? We are well on our way towards our goal of raising \$3,580,000 to provide arts organizations in King and Pierce Counties with critical operating support and capacity building programs. The campaign is a community wide effort supported by hundreds of businesses and thousands of individuals just like you who recognize how important the arts are to our region. Your generosity ensures that all of our lives are enhanced by a vibrant, inspiring, and inclusive arts and cultural sector. Please join us, and be sure to make your donation to ArtsFund's 2014 Campaign before June 30th!

Building for the Arts

Do you lead or serve an arts organization that is in the fundraising process for a facilities capital campaign? If so, you should check out the Building for the Arts program run by the Washington State Department of Commerce. Recipients of a Building for the Arts grant can receive up to \$2 million, or as much as 20% of eligible project costs.

The 2015-2017 Building for the Arts application and granting process starts this spring, with applications due on Thursday, June 12, 2014 at 5pm. A grant application workshop will be held on May 29th in Seattle to help organizations prepare.

Since 1991, ArtsFund has coordinated the Building for the Arts advocacy effort, and has helped 191 projects across the state receive \$81M in funds. For more information on the application workshop and process, please visit www.commerce.wa.gov, call 360-725-3075, or email Graham Mills at graham@artsfund.org.

Board Leadership Training

ArtsFund's Spring Board Leadership Training program concluded in April, with 28 participants completing the 5-session program. The Board Leadership Training program features the region's top experts in nonprofit leadership and covers topics such as legal and financial stewardship, fundraising, and strategic planning. At the end of the session, ArtsFund Associates have the option to participate in internships with nonprofit boards to build practical experience. Since the fall, ArtsFund has placed 20 volunteers on arts boards and is looking to place an additional 10 this summer. The next Board Leadership Training session will be held this fall with recruitment starting in late August. Keep an eye on the website for more information regarding the fall schedule. Thank you to The Boeing Company for its generous sponsorship of the program.

ArtsFund Takes to the Boards

Thanks to our partnership with Clear Channel Outdoor, Getty Images, and Dapper, ArtsFund has launched an outdoor campaign of 40 billboards, raising visibility around the Puget Sound region. Can you tell where we are?
