

PRIME TIME FOR CULTURAL ACCESS WASHINGTON

Cultural Access Washington is Pursuing Landmark Cultural Legislation in the 2014 Legislative Session

Access to science, heritage and arts experiences advances education, enhances the economy, enriches our quality of life and strengthens our communities.

Communities that are home to vibrant cultural organizations are more competitive for high paying jobs and high quality workers, and enjoy greater economic prosperity. Also, studies show that students who are engaged in cultural activities are more likely to excel in school, and are more comfortable working in diverse settings.

Despite the importance of access to cultural experiences, there is a lack of sustainable funding to maintain the level of accessibility and affordability which distinguishes the Puget Sound region. The recent economic recession made this situation even more dire. Without new and sustainable solutions, institutions will be forced to make further cuts to already depleted access and education programming.

Cultural Access Washington, a state-wide alliance of businesses, non-profits, and educational, labor and government leaders, is supporting legislation (House Bill 2212, Senate Bill 6151) in the 2014 session that would provide a local solution to this ongoing problem. Modeled after the successful cultural access initiatives of Denver, Portland, and St. Louis, and sponsored by Rep. Larry Springer (45th district) and Sen. Andy Hill (45th district), the current legislation's goal is to provide access and sustainable funding to local communities to connect citizens with cultural and educational experiences across Washington.

Mission

ArtsFund strengthens the community by supporting the arts through leadership, advocacy and grant making.

Vision

A community with a dynamic and world-class arts and cultural sector where the arts are accessible to all and valued as a central and critical component to a healthy society.

CAMPAIGN 2014

Why give?

On February 3rd, ArtsFund kicks off the 2014 annual campaign. Our efforts help strengthen communities by providing leadership, services, and grants to the arts community. Everyone has their own reason for supporting this ongoing work; what's yours?

As a lover of all the arts but in particular music and theatre, I came to work at POP largely because this is a company that honors the arts through the work we do. I am proud to be a part of POP's annual workplace giving campaign, because **I know that when I give to ArtsFund, I am making a difference in enhancing the quality of life throughout the Puget Sound region.**

Growing up in Seattle, art experiences shaped my life at an early age. Over the years the arts have grown and developed here in a myriad of wonderful ways. The foresight and dedication of my parents' generation created the opportunity for my family to enjoy world-class art today in our community. **I give to the arts to help make sure that those opportunities continue to grow.**

Colleen Kreyling
Starbucks Coffee Company

I continue to support ArtsFund because its mission really speaks to me - strengthening our community by supporting the arts. Arts organizations in the Seattle area are so diverse and talented, and ArtsFund plays a unique role in bringing that to life. Via the Associates Program, **I am able to participate in that process and positively impact the future of the arts in our city.**

Brian Buckley
Fenwick and West LLP

A vibrant arts culture is an essential part of any strong community. **I give to ArtsFund because I know it can most effectively steward my donations to promote the arts in our region.**

EVENTS AND UPDATES

Associates Kickoff

The 2014 ArtsFund Associates Program Kickoff happened in November, and our thanks go to MOHAI for hosting the event. Over 100 volunteers in attendance had the opportunity to explore the exciting and interactive galleries and hear from MOHAI's Executive Director, Leonard Garfield. The Kickoff is an introduction to ArtsFund, and a chance for Associates to meet-and-greet one another.

**90 DAY MILESTONES
3 COUNTIES, 47 PROJECTS, 700 DONORS, \$180,000+
AND GROWING!**

power2give/PugetSound, the regional arts crowd funding platform presented by ArtsFund, generated over \$180,000 in new funds for the region's arts and cultural sector in its first 90 days!

We are pleased to be meeting our goal of attracting new donors to the sector; 60% of visitors to the site are first time visitors, and more than 40% of donors have been first time contributors to the posting organizations. Thanks to the Raynier Institute & Foundation, founding matching sponsor and inaugural lead partner of power2give/PugetSound, and other matching donors, all 700 individual contributions have been matched 1:1.

For more information: www.power2give.org/PugetSound

Start-up and administrative sponsorship is by The Boeing Company, providing funds covering the launch and implementation of power2give/PugetSound.
