WHAT WE DO

For nearly 50 years, ArtsFund has strengthened the Puget Sound community and our arts and cultural organizations through vital leadership, advocacy, and grant making initiatives.

GRANT

Individual donations are leveraged through ArtsFund's allocations process, which awards annual grants to a broad range of regional cultural organizations. In 2018, 52 grantees received \$2.4 million in operating support. Since 1969, ArtsFund has awarded over **\$81.6 million** in grants to over 100 organizations.

LEAD

Our grants and programs make cultural nonprofits stronger, more stable, and strategic. We also train the next generation of nonprofit leaders and arts advocates through our **Board Leadership Training**, **Cultural Partners Network**, **Convenings**, and other programs.

RESEARCH

Our **Social** and **Economic Impact Studies** provide critical advocacy tools for articulating the measurable impacts of the arts as regional economic and community drivers. For the 2018 Social Impact Study report, visit www.artsfund.org/SIS. We also administer the **Cultural Resource Collective**, a shared audience-building database.

ADVOCATE

We provide leadership and partner in promoting legislative initiatives such as Building for the Arts, raising awareness of critical civic issues, and furthering public investment in arts and culture.

ENGAGE

We partner with civic, business, and public entities to **build healthy communities**, advance dialogue on the impact of the arts, and connect cultural partners with donors and patrons. The **ArtsFund Visionaries** program empowers emerging leaders and business professionals, and fosters a culture of giving among younger generations.
