REPORT TO THE COMMUNITY

A future for the arts is a future for community. After 50 years, ArtsFund remains uniquely positioned to deliver on that promise.

This is a milestone year for ArtsFund, founded in 1969 to bring corporate and civic leaders together to grow and sustain our region's arts and cultural institutions. Fifty years later, this region is home to an extraordinary variety of arts and cultural organizations, and we continually benefit from the creativity, inspiration, and social connections they bring. As both the region and the arts and cultural sector have grown and evolved, ArtsFund has been there every step of the way, supporting the health and vitality of arts and cultural organizations and the individuals they serve.

Thanks to thousands of supporters and partners across the decades, our leadership, advocacy, and grant making programs are working to ensure arts are accessible to all and valued as central and critical to a healthy society. We are proud to have helped build the Puget Sound arts and cultural community for the past half century and invite you to join us in shaping a future for the arts in our region.

VALUES

We Ignite Passion for the Arts. We believe arts and culture inspire, empower, and transform individuals and communities.

We Promote Equitable and Inclusive Communities. We believe the arts should be accessible to all and reflect, represent, and engage the entire community.

We Innovate through Collaboration and Leadership. We believe our impact and relevance, and that of the arts sector, are deepened through continuous learning, creative leadership, and strategic partnerships.

LEADERSHIP

ArtsFund is committed to helping develop the next generation of community and civic leaders through ongoing programming for the cultural sector, and engagement opportunities for younger generations whose community involvement is essential to the future of this region's civic vitality. For more information, visit artsfund.org/programs.

BOARD LEADERSHIP TRAINING

ArtsFund's Board Leadership Training program strengthens arts organizations by teaching fundamentals of board service and providing connections to nonprofit boards. Over 770 current and future nonprofit board members have taken the training. **In 2019, 46 individuals representing 31 civic, cultural and community organizations participated.**

CULTURAL PARTNERS NETWORK

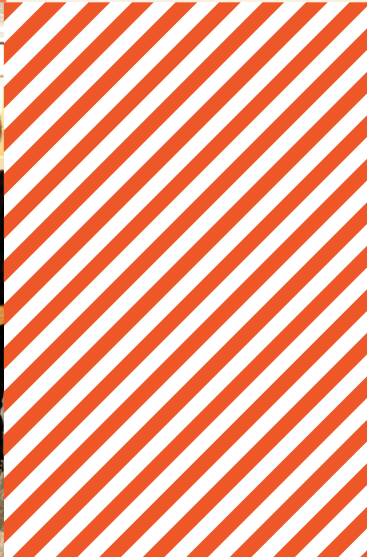

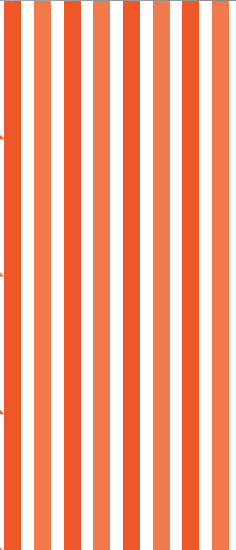

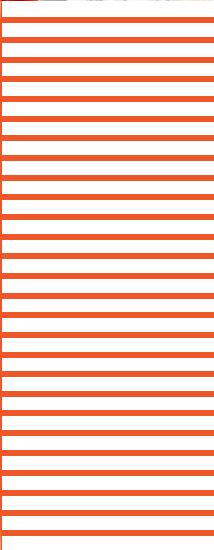

The **Cultural Partners Network (CPN)** is ArtsFund's network of affiliated arts and cultural organizations. Through the CPN, ArtsFund deepens ties between organizations, provides capacity building resources, and connects cultural organizations with audiences and donors throughout the region. **In 2019, 120 organizations were part of the CPN.**

CONVENINGS

ArtsFund provides capacity building tools and training to the cultural sector, and advances dialogue in response to the needs of the field. **In 2019, ArtsFund convenings were attended by 185 participants from 113 organizations.** Trainings and webinars focused on leveraging the social impact of the arts, addressing common sector challenges, and strengthening boards.

ARTSFUND VISIONARIES

The ArtsFund Visionaries (AFV) donor network connects emerging leaders and business professionals between 21 and 45 years of age to ArtsFund's vision – a community where the arts are accessible to all and valued as critical to a healthy society. Through engagement with ArtsFund, fellow AFV donors, and the cultural community, Visionaries power ArtsFund's mission while enjoying diverse arts experiences.

ADVOCACY

ArtsFund provides critical tools for educating both elected officials and community members about the measurable impacts of the arts. In addition to being a respected voice and central advocate for the arts on the local, regional, state, and national levels, ArtsFund serves as the fiscal agent for several sector wide initiatives. For more information, visit artsfund.org/programs.

“ArtsFund support of the greater field in research and advocacy helps all arts organizations.”

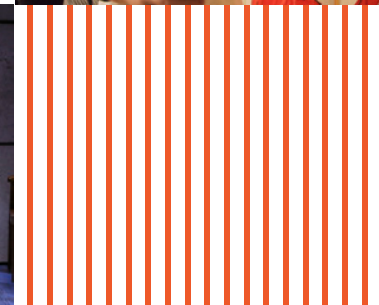

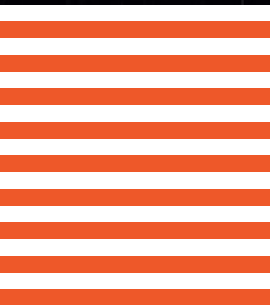

David Fischer, Executive Director, Tacoma Arts Live

GRANT MAKING

GENERAL OPERATING SUPPORT

ArtsFund distributes grants in several ways, including our keystone general operating support and targeted grant programs.

Recipients can use ArtsFund's general operating support grants to provide programming and arts education, reduce barriers to arts participation, increase access and opportunity for underserved youth, and for staffing, capacity-building, professional development, and facilities. This unrestricted funding enables grant recipients to invest the funds where needed most to advance their missions.

ArtsFund has distributed more than \$84 million in grants to a broad range of 240 arts and cultural organizations throughout King and Pierce Counties since 1969. **In 2019, ArtsFund awarded annual grants totaling over \$2.2 million.**

ArtsFund's Allocations Committee oversees our annual grant making process, reviewing applications and meeting in person with applicants. The Committee is comprised of corporate, private, and public grant making experts with experience in the arts sector. More information can be found at artsfund.org/grantprocess.

TARGETED GRANT PROGRAMS

MULTICULTURAL ARTS PROJECT

ArtsFund's Multicultural Arts Project supports culturally, ethnically, and racially diverse arts and cultural groups throughout the Central Puget Sound Region. 2019 grant recipients used funds for programs connecting communities, creating broader access to the arts, enhancing cross cultural understanding, and serving youth. Now in its third year, \$132,500 in grants have been awarded through the Multicultural Arts Project to date.

YOUTH ACCESS & OPPORTUNITY FUND

Arts engagement provides the greatest benefits to at-risk students and youth from low-income backgrounds, yet economic and other barriers severely limit access to these benefits. The Youth Access & Opportunity Fund supports programs and organizations that provide meaningful arts engagement opportunities for our region's young people who are too often overlooked and denied equitable opportunities.

CREATIVE EQUITY FUND

In 2019 ArtsFund continued to contribute funds and staff support to the Creative Equity Fund (CEF). Launched in 2018, CEF supports nonprofit organizations using arts and culture based strategies to build racial justice. The program is administered by Seattle Foundation and was developed initially through collaboration with ArtsFund and the Seattle Office of Arts & Culture, with support from Macklemore. Additional leadership and financial support comes from The Boeing Company, Microsoft Corporation, the Nesholm Family Foundation, and Satterberg Foundation.

CELEBRATION OF THE ARTS LUNCHEON

Supporters from the Puget Sound region's arts, cultural, public, and private sectors gathered for **ArtsFund's 31st Annual Celebration of the Arts Luncheon**. Performers and speakers focused on the power of the arts to transform our communities and affect positive outcomes for young people.

EXPANDING BOARD DIVERSITY

For the third year in a row ArtsFund presented **Setting the Table for More Diverse Board Leadership**, an event exploring ways to expand racial, ethnic, and cultural diversity in board leadership. The evening featured a panel discussion with community leaders of color and networking opportunities for guests to connect with arts and cultural organizations actively seeking to increase diversity among their board leadership.

BOARD NETWORKING HAPPY HOUR

ArtsFund partnered with the Bill & Melinda Gates Foundation, Leadership Tomorrow, Seattle Works, United Way of King County, and Microsoft to foster connections among graduates of our leadership training programs and organizations seeking new board members.

“[ArtsFund] fills an otherwise unmet need in improving the community by strengthening its cultural life and building connections between culture, business, government, policy leaders, education and individuals.”

LOOKING BACK ON 50 YEARS OF ARTSFUND

1969

The United Arts Council of Puget Sound (today, ArtsFund) is formed with a \$25,000 grant from Patrons of Northwest Civic, Cultural, and Charitable Organizations (PONCHO).

Ed Rauscher, President of the Board of Trustees, hires Robert E. Gustavson as the Executive Director.

“The CCA’s goal is to make sure that our fine arts organizations prosper and grow...The cultural future of our community will be affected by decisions we make now.”

OUR STORY

For 50 years, ArtsFund has been strengthening the arts and cultural sector in the Central Puget Sound region. Prompted by the 1962 World's Fair in Seattle, corporate and civic leaders recognized the critical role arts and culture could play in developing and sustaining a creative and thriving region. Through a \$25,000 grant from the Patrons of Northwest Civic, Cultural, and Charitable Organizations (PONCHO), ArtsFund was founded in 1969 as the United Arts Council of Puget Sound to help establish, grow and sustain our region's arts and cultural institutions.

Half-century later, across numerous name changes, ArtsFund is one of the nation's leading United Arts Funds. Thanks to thousands of supporters and partners across the decades and the vision of our staff and board leaders, our programs are working to ensure arts are accessible to all and valued as central and critical to a healthy society. Research and advocacy like our Economic and Social Impact Studies, leadership programs like our Board Leadership Training, and our unrestricted operating support grants contribute to a sustainable, collaborative, informed, and inclusive future for the arts.

The first fundraising campaign completes, with grants awarded totaling \$190,000. The six primary beneficiary organizations are: ACT, Pacific Northwest Ballet, Seattle Art Museum, Seattle Opera, Seattle Rep, and the Seattle Symphony.

1975

Our name changes to Corporate Council for the Arts (CCA) to reflect corporate funding as the main funding source for the organization.

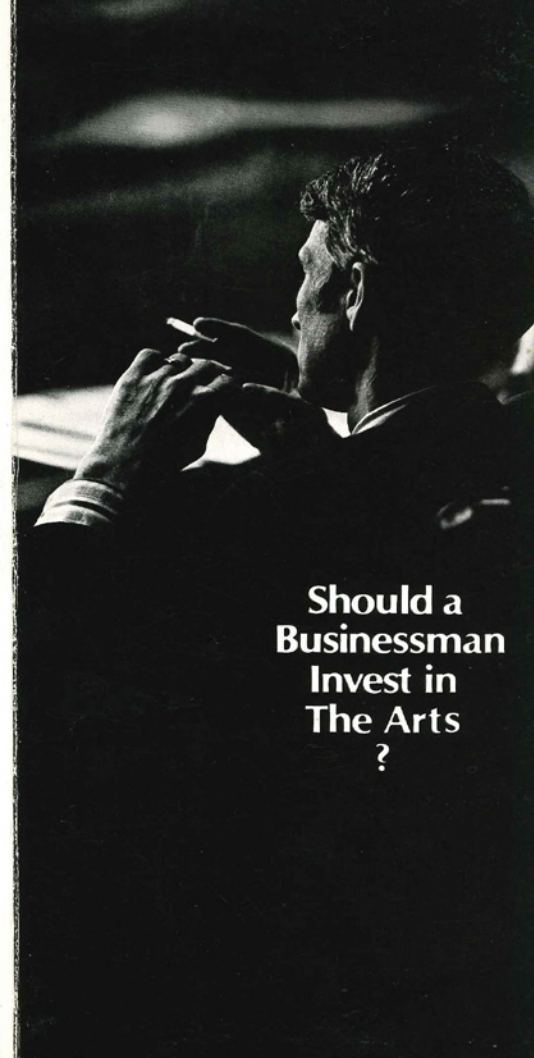

1988

CCA expands its mission from raising money to bringing arts to the table in a more highly visible way and serving as a catalyst for important arts initiatives.

ASSETS & ENDOWMENTS

In addition to its annual campaign, ArtsFund receives distributions from the endowments held in the ArtsFund Foundation as well as earnings from the Century Building to support operations and grants. The four story Century Building has been home to ArtsFund and several tenants, and was gifted from the Kreielsheimer Foundation 20 years ago to advance ArtsFund's work in support of the arts. Currently, the Century Building is held-for-sale, with projected proceeds ensuring a vital future for ArtsFund and for the arts.

The Foundation currently includes 12 separate endowment funds totaling \$21.56 million, all of which were created by donors who wanted to leave a legacy in support of the region's arts community.

*Prior annual reports have reflected the combined operations of ArtsFund and the ArtsFund Foundation. Effective with the 2019 Annual Report, we are presenting an ArtsFund Operating Statement that reflects ArtsFund's operating performance alone. We believe this approach enhances transparency and understanding of our operating performance. This year's ArtsFund Operating Statement differs from activity reported in past years in the following key ways: (1) contributions and pledges include net assets released from restriction from prior year restrictions that were reported previously; (2) the annual distribution from the ArtsFund Foundation is reported separately instead of being consolidated into another line item; and (3) contributions to the ArtsFund Foundation and net gain on investments are not reported because each reflects the ArtsFund Foundation's performance rather than ArtsFund's. For a complete review of the independently audited, consolidated financial statements for ArtsFund and the ArtsFund Foundation, please visit artsfund.org/2019-audited-financials.

A woman with her hair in a bun, wearing a sequined dress and large earrings, is shown in profile playing a piano. The image is overlaid with a semi-transparent orange filter. On the left side, there are four white L-shaped corner brackets arranged in a square. On the right side, there are three white circles stacked vertically. The text 'A future for the arts is a future for community. Join us.' is positioned on the right, with 'Join us.' in a darker orange color.
