What we do

GRANT

Donations are leveraged as annual grants to a broad range of regional cultural organizations. In 2019, 68 grantees received \$2.2 million in support. Since 1969, ArtsFund has awarded **\$84 million** to 240 arts organizations.

LEAD

We train the next generation of nonprofit leaders, arts advocates, and philanthropists through our **Board Leadership Training, Cultural Partners Network, ArtsFund Visionaries**, and other programs.

RESEARCH

Our **Social and Economic Impact Studies** demonstrate the measurable impacts of arts as regional economic and community drivers. We also administer the **Cultural Resource Collective**, a shared audience-building database.

ADVOCATE

We provide leadership and partner in promoting legislative initiatives such as **Building for the Arts**, raising awareness of critical civic issues, and furthering public investment in arts and culture.

ENGAGE

We **partner with civic, business, and public entities** to build healthy communities, advance dialogue on the impact of the arts, and connect cultural partners with donors and patrons.
