**Arts and culture:** We recognize that arts and culture is expansive. This grant opportunity supports organizations whose primary missions are to produce or support arts and cultural activities and whose work contains a significant artistic component. **BIPOC, LGBTQ+, or disability-led:** 50% or more of your staff identifies as BIPOC, as LGBTQ+, or as having a disability; OR, 50% or more of your staff identify as BIPOC, as LGBTQ+, or has having a disability.

**Centering:** The statements below use the word “centering” rather than “including” to indicate a deeper level of engagement. “Centering” indicates that these people's voices are not just included or invited to participate in an organization’s programming but are the focus of an organization’s work.
